

**2024 RDCR Symposium**

October 6-9, 2024

Miami, Florida

# Overcoming Barriers to Start Prehospital Whole Blood Use in Brazil

**Daíse Esswein Müller**

---

**General Surgeon**

**Arcanjo HEMS**

**Santa Catarina Federal  
University Hospital**

**Florianópolis – Santa Catarina  
South Brasil**

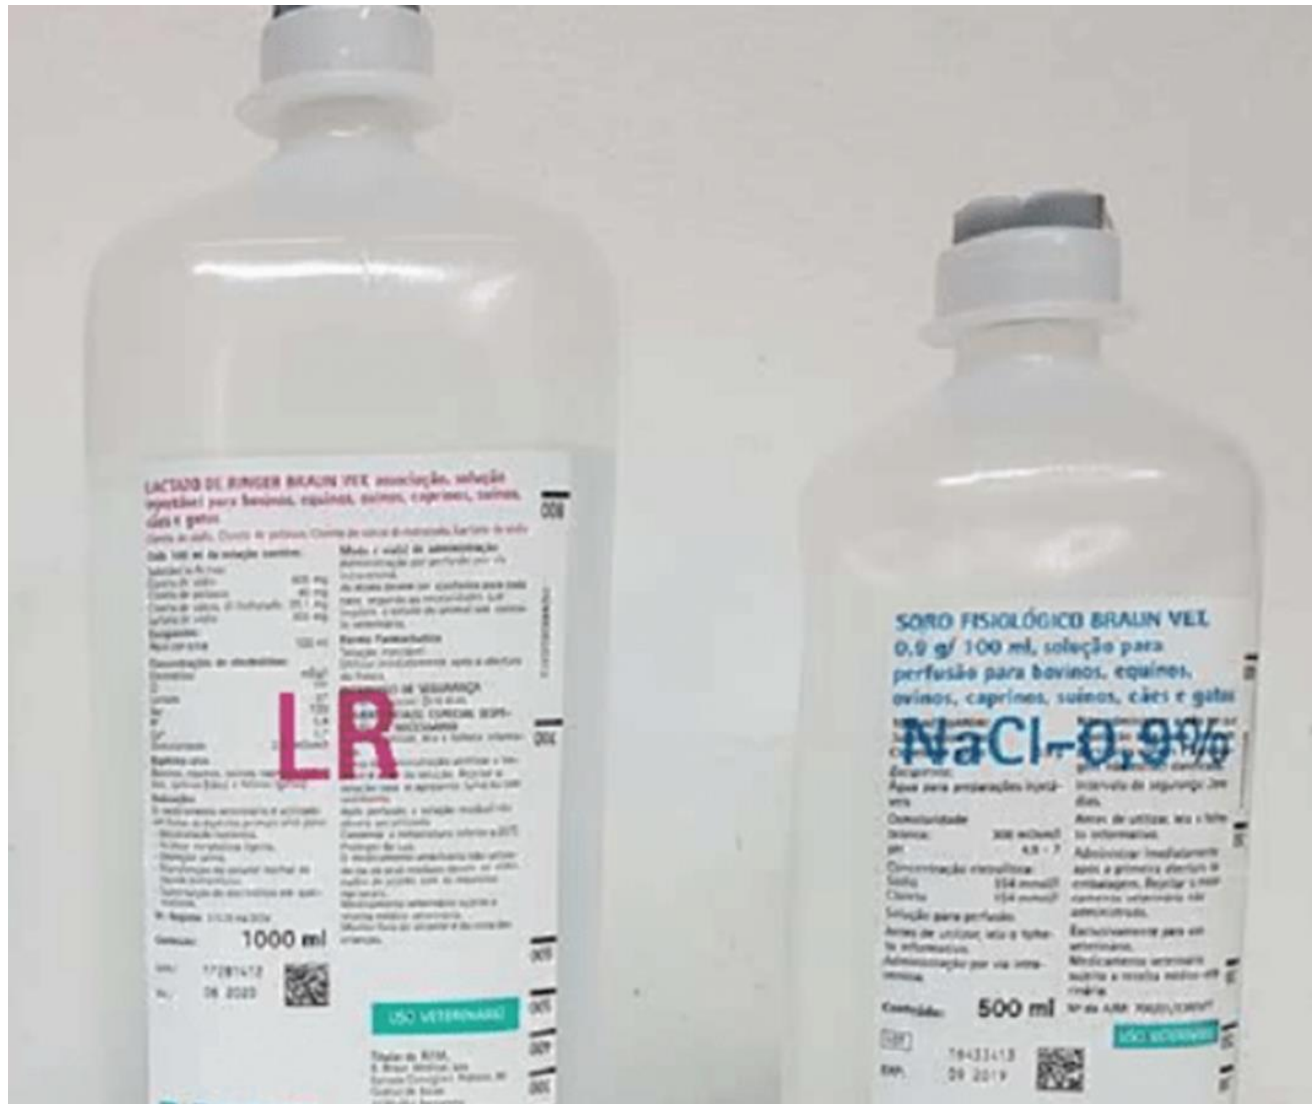

# Disclosures

# The daily challenge

# What did we really needed?

Right people, at the  
same time,  
the hardest part

07/12/2022

# The beginning

(loaned by the blood bank)

# And how we are today

# Our cases

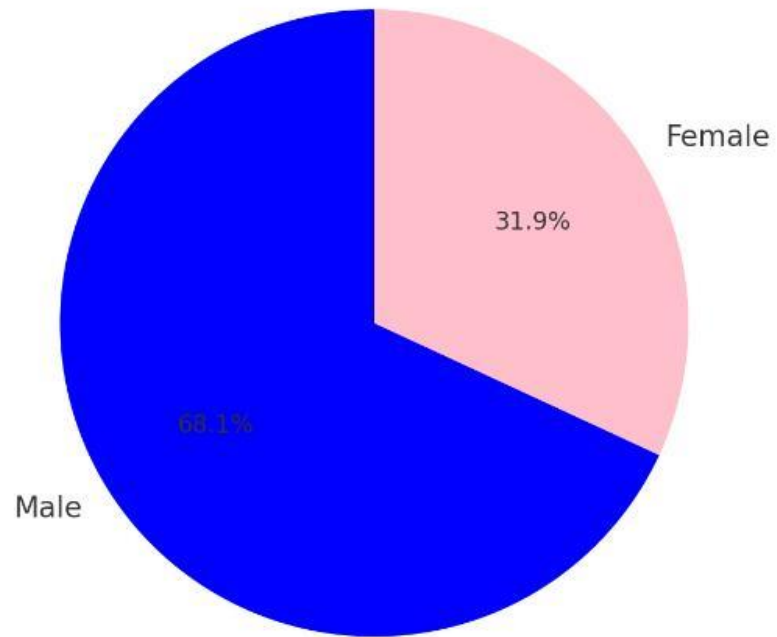

**From 07/24/2022 until today:**

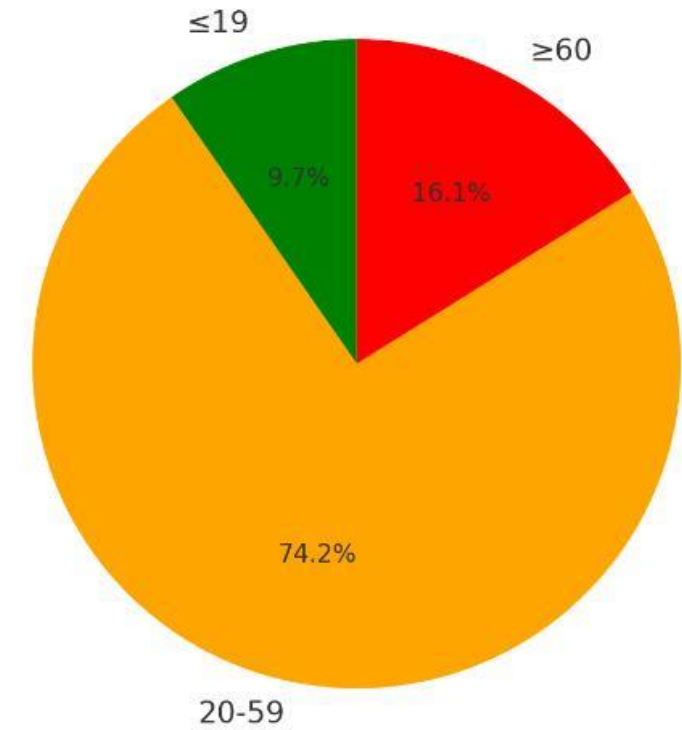

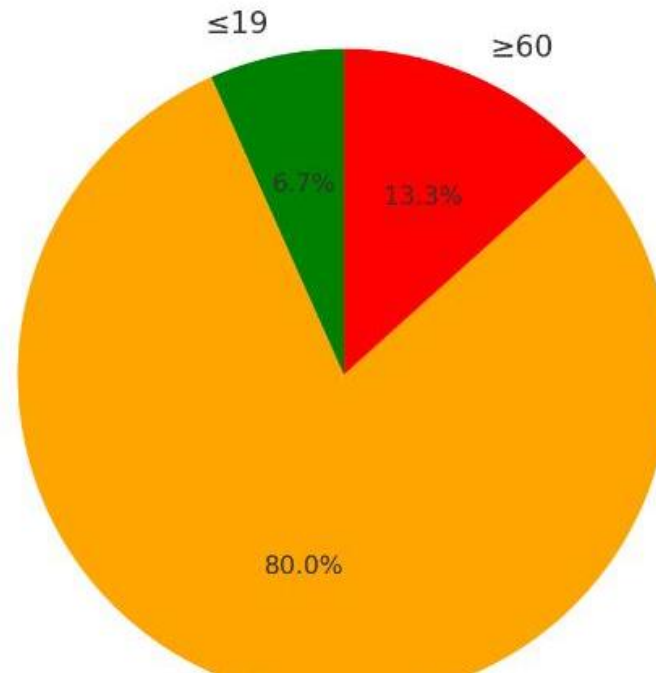

**47 cases**

Gender Distribution

Male Age Distribution

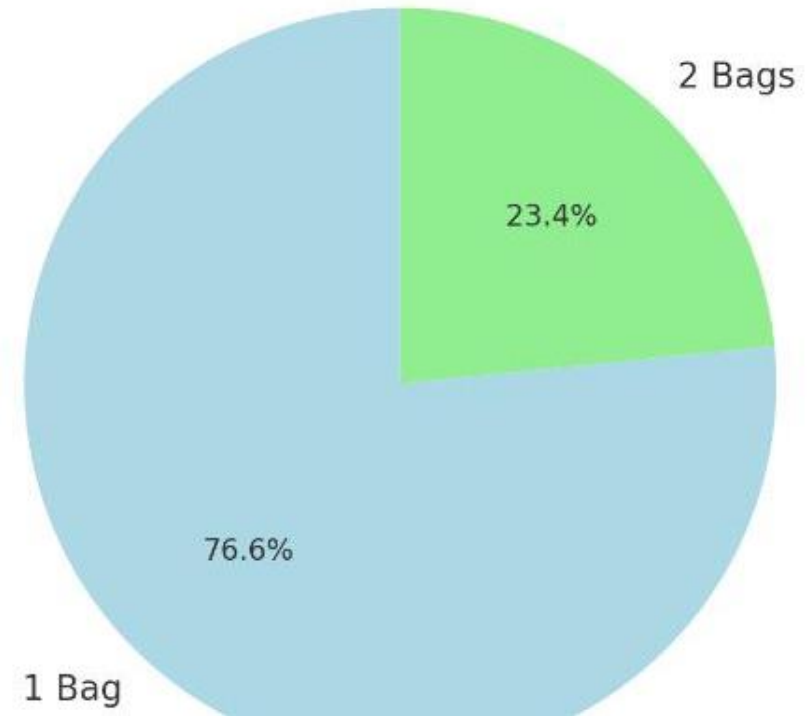

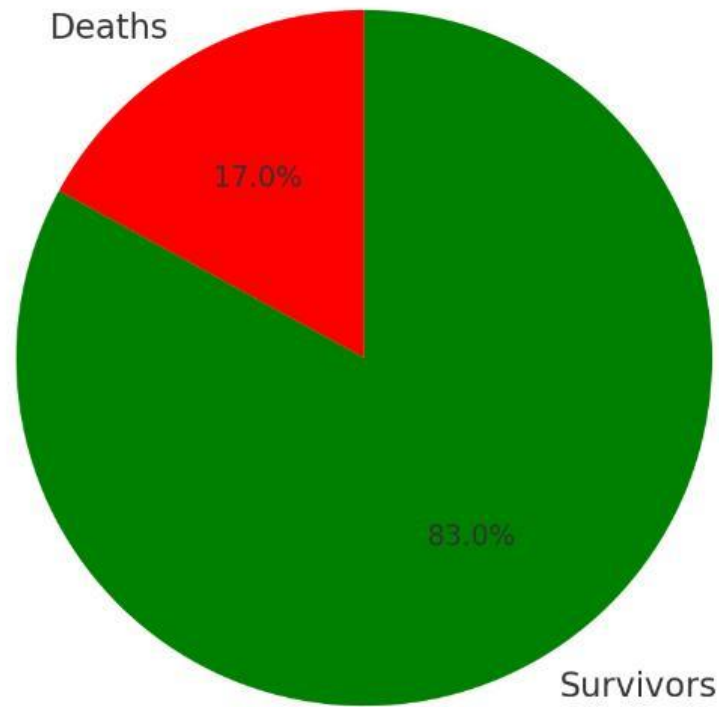

\*Women under 40 years : 7 cases

\*One 3 year old male child

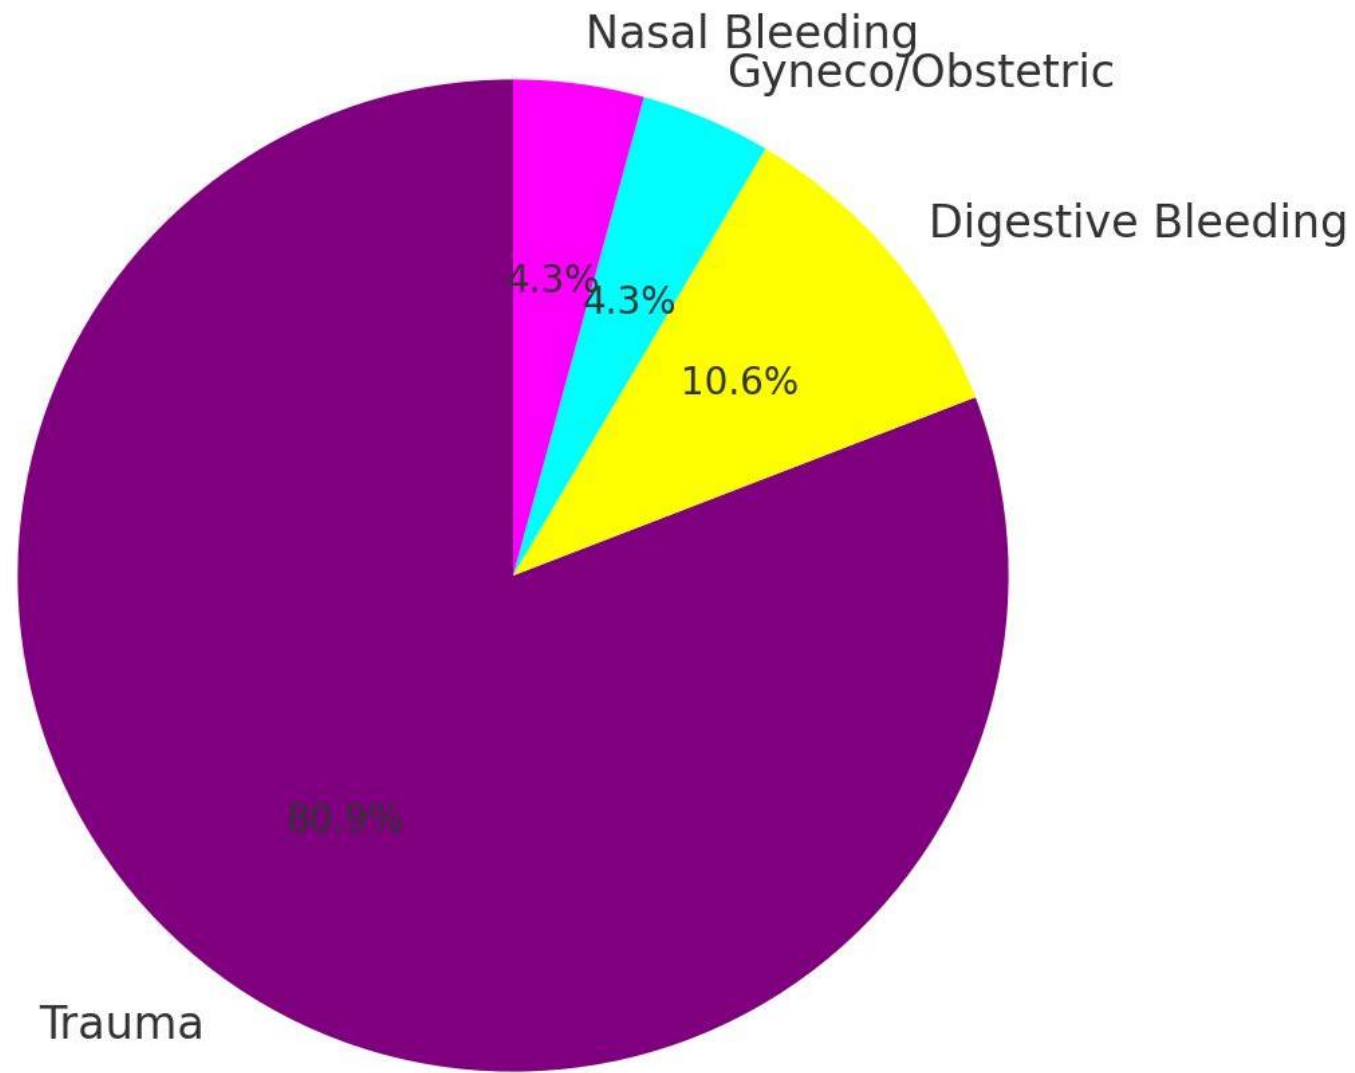

## Mortality Rate

\*5 of them on cardiac arrest at the HEMS arrival

\* 3 ROSC on the scene

# Let's go to some real cases...

**Thanks for  
your  
attention**
